(For jointly authored works, all joint authors should sign individual forms, or one of the authors should sign as authorized agent for the others)

EMPLOYER FOR WHOM WORK WAS PERFORMED: _____ **DATE:** _____

Terms of Copyright Transfer for Publication Purposes of the DMCS TUL

All material copyright to all unpublished material submitted to the Department of Microelectronics and Computer Science of the Lodz University of Technology (hereinafter: DMCS TUL) for the purpose of publication or presentation during events organized or co-organized by the DMCS TUL is transferred in writing (see attached form) onto the DMCS TUL free of charge. The transferred rights include, but are not limited to, the right to publish the work in whole or in part in any and all forms and media, without any time limitation. The transfer of rights is effective as of the date of the submission of the material (in whatever form, electronic or other) on the understanding that the work has been accepted for publication within the scope of the International Journal of Microelectronics and Computer Science quarterly. The author guarantees that (s)he is entitled to all copyright to the entire submitted material and that (s)he is to be held liable for any third party claims relating to the material.

However, each of the authors retains the following rights in the form of a free, nonexclusive and nontransferable copyright license:

1. Author may reproduce or authorize others to reproduce the material, parts extracted verbatim from the material for the author's personal use or the author's organization's use, provided that the source and the DMCS TUL copyright notice are indicated, that the copies are not used in any way that implies DMCS TUL endorsement of a product or service, and that the copies themselves are not offered for profit (especially for sale).
2. Author may make limited distribution of all or portions of the material prior to publication if they inform DMCS TUL of the nature and extent of such limited distribution prior thereto.
3. Author has the right to use in future works of the his own (such as articles or books) all or part of this work, provided that acknowledgement is given to the DMCS TUL and a full citation to its publication in the particular proceedings is included.
4. Author has the right to make oral presentation of the material in any forum.
5. Author has the right to make copies of the work for internal distribution within the author's organization and for external distribution as a reprint, technical report, or related class of document.

Please fill in and return the above form by post mail to the following address:
